# COMMANDERS AT GIANTS

**WASHINGTON COMMANDERS (2-5-1) | NEW YORK GIANTS (5-2-1)**

|---|---|---|---|
| Thu 12 Nov 20:15 ET | Thu 12 Nov 17:15 PT | Fri 13 Nov 01:15 | Fri 13 Nov 02:15 |

**AWAY | COMMANDERS**

21.5 scored / 25.2 allowed per game

*Last 3: 1-2 | L 13-20 vs Rams*

**HOME | GIANTS**

22.8 scored / 21.5 allowed per game

*Last 3: 2-1 | W 19-11 at Eagles*

## WHAT TO WATCH

The teams tied 27-27 on October 11. New York has since moved to 5-2-1 and won 19-11 at Philadelphia last time out, while Washington lost 20-13 to the Rams. The Giants' home field and lower season points allowed support the pick. Washington's 27-10 win over the Eagles a week earlier is a reminder that the rematch is unlikely to be simple.

*Swing factor: Washington can close the gap by winning field position and keeping this inside one possession into the fourth quarter.*

# PATRIOTS VS LICHTS

**NEW ENGLAND PATRIOTS (5-4) | DETROIT LIONS (6-2)**

Allianz Arena | Munich, Germany | Neutral site | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 09:30 ET | Sun 15 Nov 06:30 PT | Sun 15 Nov 14:30 | Sun 15 Nov 15:30 |

**AWAY | PATRIOTS**

23.4 scored / 23.0 allowed per game

*Last 3: 1-2 | L 27-45 vs Packers*

**HOME | LIONS**

27.8 scored / 23.6 allowed per game

*Last 3: 3-0 | W 19-9 at Dolphins*

## WHAT TO WATCH

Detroit has won three straight while allowing 13.7 points per game in that stretch. New England scored 27 against Green Bay but conceded 45. The Lions have the stronger scoring average and the steadier recent defense, which gives them the lean in Munich. Detroit is the designated home team at a neutral venue, so the pick does not assume a normal Detroit home advantage.

*Swing factor: The Patriots need early touchdowns; if Detroit can settle into a lower-possession game, its recent defensive form matters more.*

**Lions**

# CHIEFS AT FALCONS

**KANSAS CITY CHIEFS (6-2) | ATLANTA FALCONS (3-6)**

Mercedes-Benz Stadium | Atlanta, GA | U.S. TV: CBS

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

| AWAY \| CHIEFS | HOME \| FALCONS |
|---|---|
| 25.2 scored / 17.9 allowed per game | 20.9 scored / 24.8 allowed per game |
| *Last 3: 1-2 \| W 35-12 vs Jets* | *Last 3: 1-2 \| L 17-34 vs Bengals* |

## WHAT TO WATCH

Kansas City snapped a two-game skid by beating the Jets 35-12. Atlanta has scored just 17 combined points in its two most recent losses, including the 34-17 defeat to Cincinnati. The Chiefs' 17.9 points allowed per game is the stronger season figure, but their three-point outing at Seattle shows why a comfortable road margin is not a certainty.

*Swing factor: Atlanta's best route is to avoid turnovers and make Kansas City sustain long drives instead of giving it short fields.*

# TEXANS AT BROWNS

**HOUSTON TEXANS (3-5) | CLEVELAND BROWNS (5-4)**

Huntington Bank Field | Cleveland, OH | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

| AWAY \| TEXANS | HOME \| BROWNS |
|---|---|
| 26.1 scored / 24.0 allowed per game | 17.9 scored / 21.8 allowed per game |
| *Last 3: 2-1 \| W 44-22 at Chargers* | *Last 3: 1-2 \| L 22-23 at Saints* |

## WHAT TO WATCH

Houston's 3-5 record understates its recent scoring: the Texans average 33.0 points across their last three and just won 44-22 at the Chargers. Cleveland has dropped two straight, most recently 23-22 at New Orleans, but allows fewer points over the season. Houston gets a small road lean for its scoring form, with its own recent points allowed keeping the margin close.

*Swing factor: Cleveland needs to limit Houston's early scoring chances and make the Texans win a slower, field-position game.*

# VIKINGS AT PACKERS

**MINNESOTA VIKINGS (6-1) | GREEN BAY PACKERS (6-3)**

Lambeau Field | Green Bay, WI | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

| AWAY \| VIKINGS | HOME \| PACKERS |
|---|---|
| 20.0 scored / 13.3 allowed per game | 24.0 scored / 21.2 allowed per game |
| *Last 3: 2-1 \| L 15-19 at Lions* | *Last 3: 2-1 \| W 45-27 at Patriots* |

## WHAT TO WATCH

Minnesota won the first meeting 39-22 and has allowed 13.3 points per game in the completed sample. Green Bay enters off a 45-27 win at New England, its second straight victory. The Packers get a narrow Lambeau lean for their scoring momentum, but Minnesota's defensive record and earlier head-to-head win make this a close call. The snapshot precedes Bills-Vikings on November 9.

*Swing factor: Minnesota can repeat the first result by limiting explosive plays and forcing Green Bay to finish long drives.*

# JAGUARS AT TITANS

**JACKSONVILLE JAGUARS (6-2) | TENNESSEE TITANS (1-7)**

Nissan Stadium | Nashville, TN | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

**AWAY | JAGUARS**

28.6 scored / 15.1 allowed per game

*Last 3: 2-1 | W 33-10 at Ravens*

**HOME | TITANS**

18.0 scored / 24.9 allowed per game

*Last 3: 1-2 | L 36-43 at Bengals*

## WHAT TO WATCH

Jacksonville has won its last two games 42-7 against Indianapolis and 33-10 at Baltimore. Tennessee is 1-7, but its 43-36 loss at Cincinnati shows it can put up points. The Jaguars' 28.6 scored and 15.1 allowed per game offer the clearest season edge in this matchup. Tennessee's route to an upset starts with keeping that advantage from turning into extra possessions.

*Swing factor: Watch whether Tennessee can protect possession and answer Jacksonville's first scoring drive rather than chase an early deficit.*

**EDITORIAL PICK**

**Jaguars**

*Higher confidence*

**PROJECTED SCORE**

**JAX 30 - TEN 20**

# DOLPHINS AT COLTS

**MIAMI DOLPHINS (1-7) | INDIANAPOLIS COLTS (2-7)**

Lucas Oil Stadium | Indianapolis, IN | U.S. TV: CBS

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

**AWAY | DOLPHINS**

15.8 scored / 25.0 allowed per game

*Last 3: 1-2 | L 9-19 vs Lions*

**HOME | COLTS**

20.4 scored / 27.7 allowed per game

*Last 3: 0-3 | L 23-27 vs Cowboys*

## WHAT TO WATCH

Miami lost 19-9 to Detroit and has scored 15.8 points per game over the season. Indianapolis has lost three straight, but its 27-23 defeat to Dallas was a better offensive showing than its previous two games. Neither record supports a strong lean. The Colts' higher season scoring average and home setting are enough for a narrow pick.

*Swing factor: Miami can flip the forecast by finishing its early drives and forcing the Colts to play from behind.*

**EDITORIAL PICK**

**Colts**

*Low confidence*

**PROJECTED SCORE**

**MIA 20 - IND 23**

# PANTHERS AT SAINTS

**CAROLINA PANTHERS (3-5) | NEW ORLEANS SAINTS (3-5)**

Caesars Superdome | New Orleans, LA | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

| AWAY \| PANTHERS | HOME \| SAINTS |
|---|---|
| 24.9 scored / 27.4 allowed per game | 23.1 scored / 27.0 allowed per game |
| *Last 3: 0-3 \| L 21-26 vs Broncos* | *Last 3: 2-1 \| W 23-22 vs Browns* |

## WHAT TO WATCH

Both teams are 3-5. Carolina has lost three in a row and allowed 32.0 per game across that span; New Orleans has won two of three, including a 23-22 result against Cleveland. The Saints' recent defensive numbers and home field support a modest edge, but their season points allowed are close to Carolina's. This is a form-based lean in a divisional game.

*Swing factor: Carolina needs to turn sustained drives into touchdowns and keep New Orleans from controlling the middle of the game.*

| EDITORIAL PICK | PROJECTED SCORE |
|---|---|
| **Saints** | **CAR 23 - NO 27** |
| *Low confidence* | *Editorial forecast* |

# BILLS AT JETS

**BUFFALO BILLS (6-1) | NEW YORK JETS (2-7)**

MetLife Stadium | East Rutherford, NJ | U.S. TV: CBS

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 13:00 ET | Sun 15 Nov 10:00 PT | Sun 15 Nov 18:00 | Sun 15 Nov 19:00 |

| AWAY \| BILLS | HOME \| JETS |
|---|---|
| 33.3 scored / 25.9 allowed per game | 20.2 scored / 24.8 allowed per game |
| *Last 3: 3-0 \| W 36-10 vs Ravens* | *Last 3: 0-3 \| L 12-35 at Chiefs* |

## WHAT TO WATCH

Buffalo has scored at least 33 in each of its last three completed games and beat Baltimore 36-10 in the latest of them. The Jets have lost three straight and conceded 35 to Kansas City. Buffalo's scoring edge drives the road pick, but its Week 9 Monday game at Minnesota was still pending at this snapshot. Recheck the Bills' form and availability afterward.

*Swing factor: The Jets need early stops to avoid asking their offense to keep pace with Buffalo's recent scoring.*

| EDITORIAL PICK | PROJECTED SCORE |

| **Bills** | **BUF 31 - NYJ 20** |
| *Moderate confidence* | *Editorial forecast* |

# SEAHAWKS AT RAIDERS

**SEATTLE SEAHAWKS (5-4) | LAS VEGAS RAIDERS (4-5)**

Allegiant Stadium | Las Vegas, NV | U.S. TV: CBS

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 16:05 ET | Sun 15 Nov 13:05 PT | Sun 15 Nov 21:05 | Sun 15 Nov 22:05 |

| AWAY \| SEAHAWKS | HOME \| RAIDERS |
|---|---|
| 22.4 scored / 18.0 allowed per game | 26.4 scored / 29.8 allowed per game |
| *Last 3: 2-1 \| W 17-3 vs Cardinals* | *Last 3: 1-2 \| L 17-38 at 49ers* |

## WHAT TO WATCH

Seattle held Arizona to three points in a 17-3 win and allows 18.0 per game for the season. Las Vegas is scoring more than Seattle overall, but it has allowed 35.3 per game across its last three and just lost 38-17 at San Francisco. The Seahawks' defensive edge earns a narrow road lean; the Raiders' scoring potential keeps this close.

*Swing factor: The Raiders can change the shape of the game by making Seattle trade touchdowns rather than letting it defend a small lead.*

| EDITORIAL PICK | PROJECTED SCORE |
|---|---|
| **Seahawks** | **SEA 24 - LV 21** |
| *Low confidence* | *Editorial forecast* |

# RAMS AT CARDINALS

**LOS ANGELES RAMS (5-4) | ARIZONA CARDINALS (3-6)**

State Farm Stadium | Glendale, AZ | U.S. TV: CBS

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 16:05 ET | Sun 15 Nov 13:05 PT | Sun 15 Nov 21:05 | Sun 15 Nov 22:05 |

| AWAY \| RAMS | HOME \| CARDINALS |
|---|---|
| 23.8 scored / 20.1 allowed per game | 19.8 scored / 28.3 allowed per game |
| *Last 3: 3-0 \| W 20-13 at Commanders* | *Last 3: 1-2 \| L 3-17 at Seahawks* |

## WHAT TO WATCH

Arizona won the first meeting 18-16, so the Rams' better record is not enough on its own. Los Angeles has since won three straight, most recently 20-13 at Washington, and allowed 14.3 per game across those wins. Arizona scored three at Seattle after scoring 33 at Dallas. The Rams' more stable recent defense supports a road pick in the rematch.

*Swing factor: Arizona needs the scoring efficiency it showed at Dallas, especially when possessions reach the red zone.*

| EDITORIAL PICK | PROJECTED SCORE |
|---|---|
| **Rams** | **LAR 24 - ARI 20** |
| *Moderate confidence* | *Editorial forecast* |

# 49ERS AT COWBOYS

**SAN FRANCISCO 49ERS (7-1) | DALLAS COWBOYS (4-5)**

AT&T Stadium | Arlington, TX | U.S. TV: Fox

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 16:25 ET | Sun 15 Nov 13:25 PT | Sun 15 Nov 21:25 | Sun 15 Nov 22:25 |

| AWAY \| 49ERS | HOME \| COWBOYS |
|---|---|
| 29.4 scored / 19.5 allowed per game | 27.3 scored / 26.2 allowed per game |
| *Last 3: 2-1 \| W 38-17 vs Raiders* | *Last 3: 2-1 \| W 27-23 at Colts* |

## WHAT TO WATCH

San Francisco responded to its loss at Atlanta with a 38-17 win over Las Vegas. Dallas has scored 31.7 per game over its last three and just won 27-23 at Indianapolis, so its offense is a real test. The 49ers' 19.5 season points allowed, compared with 26.2 for Dallas, gives them the lean even with a close road projection.

*Swing factor: Dallas needs to keep the game above San Francisco's preferred scoring pace without giving away short fields.*

| EDITORIAL PICK | PROJECTED SCORE |

| **49ers** | **SF 28 - DAL 24** |

# STEELERS AT BENGALS

**PITTSBURGH STEELERS (6-2) | CINCINNATI BENGALS (6-2)**

Paycor Stadium | Cincinnati, OH | U.S. TV: NBC

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Sun 15 Nov 20:20 ET | Sun 15 Nov 17:20 PT | Mon 16 Nov 01:20 | Mon 16 Nov 02:20 |

| AWAY \| STEELERS | HOME \| BENGALS |
|---|---|
| 22.5 scored / 18.0 allowed per game | 30.0 scored / 21.9 allowed per game |
| *Last 3: 3-0 \| W 27-6 vs Browns* | *Last 3: 3-0 \| W 34-17 at Falcons* |

## WHAT TO WATCH

Both teams are 6-2 and have won three straight. Pittsburgh took the first meeting 30-27 and has allowed 11.7 per game in its last three. Cincinnati has averaged 37.3 points over its last three, including 34 against Atlanta. The Bengals' home setting and recent scoring give them a slight rematch lean. Pittsburgh's defensive form makes this one of the week's least settled picks.

*Swing factor: Watch whether Pittsburgh can keep Cincinnati below its recent scoring pace and turn the matchup into a late one-score game.*

| EDITORIAL PICK | PROJECTED SCORE |
|---|---|
| **Bengals** | **PIT 23 - CIN 27** |

# CHARGERS AT RAVENS

**LOS ANGELES CHARGERS (0-8) | BALTIMORE RAVENS (4-5)**

M&T Bank Stadium | Baltimore, MD | U.S. TV: ESPN

| U.S. EASTERN | U.S. PACIFIC | U.K. / GMT | CENTRAL EUROPE / CET |
|---|---|---|---|
| Mon 16 Nov 20:15 ET | Mon 16 Nov 17:15 PT | Tue 17 Nov 01:15 | Tue 17 Nov 02:15 |

| AWAY \| CHARGERS | HOME \| RAVENS |
|---|---|
| 15.1 scored / 27.4 allowed per game | 21.0 scored / 26.2 allowed per game |
| *Last 3: 0-3 \| L 22-44 vs Texans* | *Last 3: 0-3 \| L 10-33 vs Jaguars* |

## WHAT TO WATCH

The Chargers remain winless after a 44-22 loss to Houston and score 15.1 per game for the season. Baltimore has also lost three straight, scoring just 11.0 per game in that span, so this is not a form-based runaway. Home field and the Ravens' higher season scoring average give them a rebound lean against a defense allowing 27.4 per game.

*Swing factor: If the Chargers protect the ball and take an early lead, Baltimore's recent scoring struggles could keep this tight.*

| EDITORIAL PICK | PROJECTED SCORE |
|---|---|
| **Ravens** | **LAC 17 - BAL 24** |

Chicago Bears | Denver Broncos | Philadelphia Eagles | Tampa Bay Buccaneers

*Munich: Sunday 15:30 local time. Three night games move to the next day in Europe.*

# THREE GAMES TO WATCH

*The international opener, a division rematch and Sunday night*

## THE MUNICH OPENER | PATRIOTS VS LIONS

*Sun 15 Nov 09:30 ET | Sun 15 Nov 15:30 CET | Page 04*

The Sunday window opens in Europe at 15:30 CET. Detroit arrives on a three-game winning streak, while New England just allowed 45 points against Green Bay. The neutral venue removes the usual home-field assumption.

## THE NFC NORTH REMATCH | VIKINGS AT PACKERS

*Sun 15 Nov 13:00 ET | Sun 15 Nov 19:00 CET | Page 07*

Minnesota won the first meeting by 17. Green Bay has won two straight and gets the rematch at Lambeau. Check the result and player availability after Minnesota plays Buffalo on November 9 before treating this as a settled home lean.

## THE SUNDAY NIGHT TEST | STEELERS AT BENGALS

*Sun 15 Nov 20:20 ET | Mon 16 Nov 02:20 CET | Page 15*

Pittsburgh and Cincinnati share a 6-2 record and three-game winning runs. The Steelers won their first meeting by three. This time Cincinnati plays at home, bringing 37.3 points per game across its last three against Pittsburgh's 11.7 allowed in that span.
